**NOTICE TO VOLUNTARY INVESTORS, BROKERS AND INTERESTED PARTIES  
WHO HAVE NOT RESPONDED TO TRANSFER / ENCASHMENT COMMUNICATION**

---

This notice is addressed to voluntary investors and their independent financial advisors who have not responded to the letter which we sent to all voluntary investors and their independent financial advisors during the first week of December 2009 and follow up communication, in which we asked for instructions as to whom their voluntary investments are to be transferred or paid, and to those who may have responded but have not completed the process.

We respectfully urge you to provide us with your instructions, as set out in the letter referred to above, to enable the curators to transfer or pay your investments in accordance with your instructions by no later than 30 June 2010. A copy of the letter can be found on the Ovation website [www.ovationglobal.com](http://www.ovationglobal.com).

Although we have been authorised by the High Court to pay investors funds into the Guardians Fund administered by the Master of the High Court, in the event that such investors do not respond to our communications, we view this as a mechanism of last resort. We do not believe that it is necessarily in the best interest of any investor for their funds to be paid into the Guardians Fund. **We accordingly urge all voluntary investors and their independent advisors to urgently communicate with us by 30 June 2010, failing which the curators may have no alternative but to pay the funds of non responding investors into the Guardians Fund.**

Dated at Cape Town on this 15<sup>th</sup> day of April 2010

**JOHN LEVIN**
